

We Are Hiring Position Posting

Vegetation Management Coordinator Environmental Program Coordinator

Agricultural Services Department

Northern Sunrise County is a vibrant and action-oriented municipality that is looking for both a Vegetation Management Coordinator and an Environmental Program Coordinator. If you enjoy working in an environment that encourages development, fosters growth and looks at the big picture, one of these positions will interest you. In either of these positions with the Agricultural Services Department, you will be able to make a difference in the agricultural world.

The Vegetation Management Coordinator is responsible for maintaining, organizing and coordinating the vegetation management programs. The Environmental Program Coordinator is responsible for the administration and coordination of the ALUS program. Both positions will support the Agricultural Fieldman in the overall administration and coordination of the Agricultural Services Department and its personnel.

Employment with the County is conditional upon receiving the following documents on or before your first day of work:

- Satisfactory Criminal Record Check
- Satisfactory Driver's Abstract

Position descriptions are available on our website at www.northernsunrise.net.
